Dear Friend

In Queensland, 1 in 5 people suffer from Arthritis. Our winter edition of Joint News features a young woman, Natalie, who is living with Psoriatic Arthritis. Natalie has managed her condition with the support of Arthritis Queensland. Our trained staff assist Natalie to get through this extremely challenging and difficult period in her life.

Arthritis Queensland helps many Queenslanders like Natalie each day and we need your continuing support. Your generous contributions help us to maintain and fund our:

- Information Line
- Health Educators
- Seminars and self-management courses
- Free Information packs
- Research programs

A single gift will make a difference and as we are almost to the end of the financial year you will be able to claim any donation over \$2.00 as tax deductible. Please show your support by completing the tear off section of this letter and enclose in the reply paid envelope.

If you have recently donated to Arthritis Queensland, thank you sincerely. We will need your ongoing support, please consider this appeal.

Yours sincerely

Bob Unger
